

Past exam guide

Past VCAA exam questions, even from previous study designs, remain your most valuable resource.

To help you get the most out of each exam, it is important to know which questions from exams in the previous study design are still valuable. Luckily, the content changes since the 2006-2015 study design are relatively contained. The following is a list of questions that are **no longer applicable**.

VCAA 2006

- Exam 1: 7, 8
- Exam 2 (Section 1): 4, 7, 10, 11
- Exam 2 (Section 2): 1aii, 1d, 2b
