

## YEAR 12 *Trial Exam Paper*

# 2021

## ACCOUNTING

### Written examination

Reading time: 15 minutes

Writing time: 2 hours

### QUESTION BOOK

#### Structure of book

| <i>Number of questions</i> | <i>Number of questions to be answered</i> | <i>Number of marks</i> |
|----------------------------|-------------------------------------------|------------------------|
| 10                         | 10                                        | 100                    |

- Students are permitted to bring into the examination room: pens, pencils, highlighters, erasers, sharpeners, rulers and one scientific calculator.
- Students are NOT permitted to bring into the examination room: blank sheets of paper and/or correction fluid/tape.

#### Materials supplied

- Question book of 15 pages
- Answer book of 19 pages

#### Instructions

- Write your **name** in the space provided on the front cover of the answer book.
- Answer all questions in the answer book.
- All written responses must be in English.

#### At the end of the examination

- You may keep this question book.

**Students are NOT permitted to bring mobile phones and/or any other unauthorised electronic devices into the examination room.**

This trial examination produced by Insight Publications is NOT an official VCAA paper for the 2021 Year 12 Accounting written examination. The Publishers assume no legal liability for the opinions, ideas or statements contained in this trial examination. This examination paper is licensed to be printed, photocopied or placed on the school intranet and used only within the confines of the purchasing school for examining their students. No trial examination or part thereof may be issued or passed on to any other party, including other schools, practising or non-practising teachers, tutors, parents, websites or publishing agencies, without the written consent of Insight Publications.

**Instructions**

Answer **all** questions in the answer book provided.

**Question 1** (12 marks)

Daily Dosage sells pre-packaged meals to retail outlets across Melbourne. Daily Dosage is provided with ingredients for a set range of meals which it prepares, packages and sells to these outlets.

They are sold in boxes of 20.

There are two types of meals – Standard and Deluxe.

As at 31 August 2021 the following information was available.

Inventory as per inventory card:

- Standard meal boxes 60 at \$200 and 10 at \$220
- Deluxe meal boxes 42 at \$380

Inventory as per physical stocktake (Memo 20):

- Standard meal boxes 58 at \$200 and 7 at \$220
- Deluxe meal boxes 41 at \$380

A refrigeration issue has meant that all of the Deluxe meal boxes need to be sold quickly. The business plans on donating 20 units to a local homeless shelter for immediate use (Memo 21). The remainder, which have a longer use-by date, will be sold to a major customer at a cost of \$205 per box (plus GST). Five dollars will need to be spent repackaging each box (Memo 22).

- a. Record the necessary entries into the General Journal as at 31 August 2021.

Narrations are **not** required.

6 marks

- b. With reference to **one** accounting element, explain how the information in Memo 21 would be reported in the Income Statement prepared on 31 August 2021.

3 marks

- c. With reference to **one** qualitative characteristic, explain why the information in Memo 22 needed to be recorded.

3 marks

**Question 2** (7 marks)

The following document was issued by D'Mac Sports, which uses a 100% mark-up on inventory.

|                          |          |                  |             |
|--------------------------|----------|------------------|-------------|
| D'Mac Sports             |          | Invoice No: UV64 |             |
|                          |          | Date: 5/05/2021  |             |
| To: Domain Primary       |          |                  |             |
| Description              | Quantity | Unit Price       | Total Price |
| Soccer balls – junior    | 12       | \$25             | \$300       |
| Netballs – junior        | 12       | \$35             | \$420       |
| Cricket kits             | 5        | \$180            | \$900       |
| Tennis balls (tins of 4) | 20       | \$15             | \$300       |
| Tennis racquets          | 8        | \$60             | \$480       |
| GST                      |          |                  | \$240       |
| Amount due               |          |                  | \$2 640     |
| Terms: 5/7, n30          |          |                  |             |

On 9 May 2021 Domain Primary settled the account.

- a. Record the necessary entries into the General Journal of D'Mac Sports.

Narrations are **not** required.

5 marks

- b. Explain the purpose of Invoice No. UV64.

2 marks

**Question 3** (7 marks)

The following charts were provided by the accountant of Day Spa Supplies.

Note that credit terms are 1/14, n30.

**Accounts Receivable ageing analysis 2020****Accounts Receivable ageing analysis 2021**

- a. Explain what is shown in the charts above and analyse what this information tells the owner about their management of Accounts Receivable.

5 marks

- b. Suggest **two** strategies the business could implement to improve the management of Accounts Receivable.

2 marks

**Question 4** (8 marks)

On 1 February 2021 the owner of Textile Trading deposited \$12 000 into a fixed-term deposit account for two years, earning interest at a rate of 4% per annum. Interest will be paid in two instalments, each year on 30 June and 31 December.

The business reports quarterly on 31 March, 30 June, 30 September and 31 December each year.

- a.** Prepare the General Journal entries required on 31 March and 30 June 2021 to record the information.

Narrations are **not** required.

4 marks

- b.** Explain the treatment of Interest Revenue and Accrued Interest Revenue in the reports on 31 March 2021.

4 marks

**Question 5** (14 marks)

The Balance Sheet prepared for Hillside Industries as at 31 December 2020 showed the following.

**Hillside Industries**  
**Balance Sheet (extract) as at 31 December 2020**

|                               |        |        |
|-------------------------------|--------|--------|
| Non-Current Assets            |        |        |
| Machinery                     | 45 000 |        |
| Less Accumulated Depreciation | 30 000 | 15 000 |
|                               |        |        |

- a.** Explain what is represented by the \$15 000 figure shown in the report.

2 marks

- b.** On 31 May 2021 the business decided to replace the machinery. The existing machinery was sold for \$12 000 cash. The new machinery will be purchased at a cost of \$54 000 (plus GST) and the business will pay \$4 400 (including GST) to have the machinery installed.

The business will pay \$20 000 from business funds and borrow the balance from MU Bank. Note that the business depreciates non-current assets at a rate of 10% per annum on cost.

Show how the following General Ledger accounts would appear after all information had been posted:

- Machinery
- Accumulated Depreciation – Machinery
- Disposal of Machinery

8 marks

- c.** The machinery produces wooden toys for sale. The owner is considering changing to the reducing balance method of depreciation for this asset.

Discuss the decision the owner is considering.

4 marks

**Question 6** (13 marks)

The following General Journal entries were prepared as at 30 June 2021.

**Arlow's Antiques****General Journal**

| <b>Date<br/>2021</b> | <b>Details</b>          | <b>Debit</b> | <b>Credit</b> |
|----------------------|-------------------------|--------------|---------------|
| 30 Jun.              | Sales                   | 480 000      |               |
|                      | Discount Revenue        | 6 500        |               |
|                      | Inventory Gain          | 1 000        |               |
|                      | Sales Returns           |              | 8 000         |

|                      |                         |              |               |
|                      | Profit and Loss Summary | 385 100      |               |
|                      | Cost of Sales           |              | 236 000       |
|                      | Wages                   |              | 87 000        |
|                      | Rent                    |              | 24 000        |
|                      | Interest Expense        |              | 6 000         |
|                      | Cartage In              |              | 12 000        |
|                      | Discount Expense        |              | 4 500         |
|                      | Depreciation – Vehicle  |              | 5 000         |
|                      | Advertising             |              | 9 500         |
|                      | Bad Debts               |              | 1 100         |
|                      |                         |              |               |
|                      | Profit and Loss Summary | 94 400       |               |
|                      | Capital                 |              | 94 400        |
|                      |                         |              |               |
|                      | Capital                 | 76 000       |               |
|                      | Drawings                |              | 76 000        |

- a.** With reference to **one** accounting assumption, explain why these entries were necessary.

3 marks

During the year ended 30 June 2021 the owner contributed \$10 000 cash and drawings including \$4 000 worth of inventory. All other drawings were for cash.

Balance of Capital as at 1 July 2020 was \$79 530.

**b.** Show how the following General Ledger accounts would appear after all information had been posted and the accounts were completed:

- Profit and Loss Summary
- Capital
- Drawings

10 marks

**Question 7 (4 marks)**

The following Trial Balance (extract) for Lincoln's Lounges was provided as at 31 December 2021.

**Lincoln's Lounges****Pre-adjusted Trial Balance (extract) for year ended 31 December 2021**

| <b>Account</b>               | <b>Debit</b> | <b>Credit</b> |
|------------------------------|--------------|---------------|
| Accounts Receivable          | 29 600       |               |
| Allowance for Doubtful Debts |              | 3 600         |
| Sales                        |              | 680 000       |
| Sales Returns                | 13 000       |               |
| Discount Expense             | 3 400        |               |

**Additional information**

- Sales are 60% on credit.
- Allowance for Doubtful Debts is 1% of net credit sales.
- An Account Receivable whose account had a balance of \$4 400 (including GST) has been declared bankrupt and will not pay any of their account.

Prepare the General Journal entry required to record the Allowance for Doubtful Debts to be reported as at 31 December 2021.

A narration is **not** required.

**Question 8** (8 marks)

The following report was prepared on 31 December 2020.

**Houses by Hickling****Balance Sheet as at 31 December 2020**

| <b>Assets</b>            |         |        | <b>Equities</b>         |       |        |
|--------------------------|---------|--------|-------------------------|-------|--------|
| Current Assets           | \$      | \$     | Current Liabilities     | \$    | \$     |
| Cash at Bank             | 9850    |        | Loan – MU Bank          | 6000  |        |
| Prepaid Rent             | 9000    |        | Accounts Payable        | 42800 | 48800  |
| Accounts Receivable      | 24710   |        |                         |       |        |
| GST Clearing             | 7600    |        |                         |       |        |
| Inventory                | 88000   | 139160 | Non-Current Liabilities |       |        |
|                          |         |        | Loan – MU Bank          |       | 18000  |
| Non-Current Assets       |         |        | Owner's Equity          |       |        |
| Vehicle                  | 42000   |        | Capital                 |       | 114360 |
| Accumulated Depreciation | (21000) | 21000  |                         |       |        |
| Equipment                | 34500   |        |                         |       |        |
| Accumulated Depreciation | (13500) | 21000  |                         |       |        |
| Total Assets             |         | 181160 | Total Equities          |       | 181160 |

A summary of the financial reports for the quarter ended 31 March 2021 showed the following information. Note that the additional loan was from MU Bank and was an extension of the existing loan. Repayment conditions are unchanged.

**Houses by Hickling**

**Cash Flow Statement (extract) for quarter ending 31 March 2021**

| <b>Cash Flows from Operating Activities</b> | <b>\$</b> | <b>\$</b> |
|---------------------------------------------|-----------|-----------|
| Cash Sales                                  | 100 000   |           |

| Discount Expense         | 2 000   |         |
| Rent Expense             | 21 000  |         |
| Net Loss                 |         | (3 625) |

**Additional information**

- Credit purchases of inventory totalled \$82 000.
- The new loan is due in one instalment on 30 June 2023.
- There were no sales or purchase returns and the owner did not withdraw any inventory.
- The owner also contributed additional equipment with a fair value of \$9 000.
- All drawings were cash.

Using the information provided, complete the Balance Sheet as at 31 March 2021.

**Question 9** (6 marks)

The following information has been prepared for Kilvingston Glass Supplies.

**Profit performance**

|                                       | 2019 | 2020 | 2021 |
|---------------------------------------|------|------|------|
| <b>Net Profit Margin (Business)</b>   | 21%  | 20%  | 21%  |
| <b>Gross Profit Margin (Business)</b> | 50%  | 49%  | 49%  |

Sales were:

2019 – \$168 000

2020 – \$196 000

2021 – \$206 000

The owner is unsure of how well the business is performing.

Evaluate the performance of the business with specific reference to the indicators shown in the figures above and comment on possible reason(s) for the performance identified.

**Question 10** (21 marks)

White & Bright sell whitegoods. The business reports every six months. The business has prepared its reports for the six months ended 31 December 2021 and is considering preparing budgeted reports for the six months ended 30 June 2022.

The owner has decided to continue with the budgeting process and provides the following information.

**White & Bright****Balance Sheet (extract) as at**

|                              | <b>31 December 2021</b> | <b>30 June 2022 (Budgeted)</b> |
|------------------------------|-------------------------|--------------------------------|
| Accounts Receivable          | 27 500                  | 22 600                         |
| Inventory                    | 87 000                  | 94 200                         |
| Prepaid Rent Expense         | 7 200                   | 8 400                          |
| Accounts Payable             | 54 100                  | 51 000                         |
