Question 5 (4 marks)

Depreciation of Equipment	Straight Line	Reducing Balance
Year 1	500	750
Year 2	500	600
Year 3	500	450
Year 4	500	300

Based on the information provided by the accountant the owner has decided to proceed with the reducing balance method for depreciating the Equipment as the expense decreases over time so Net Profit will be higher.

Evaluate the owner's decision to use the reducing balance method to depreciate the Equipment.
